Milk-Rite Warranty

Milk-Rite liners are warrantied to last a minimum of 2500 milkings or six months when used in accordance with our instructions and those of the parlour manufacturer.

The information in this document is not binding and can be changed without notice. Parlours and herds vary considerably, so these details are meant to be guidelines to operation only and not a specification. It remains the responsibility of the operator to ensure the correct working of the plant and the health of the animal.
